

“FALL DOWN A RABBIT HOLE, OR THROUGH THE BACK
OF THE WARDROBE INTO OUR DREAMY GLEN”

WOODLAND
WEDDINGS^{LTD}

WELCOME TO WOODLAND WEDDINGS

Lila's wood offers everything; A secluded glen for your blessing, or humanist ceremony. A wedding breakfast set under the tree canopy, or the dappled canvas of our giant Kata tipis. Natural tables and benches arranged to your theme.

Beside the tent sits our dramatic fairy-tale tree house, dressed with wisteria and festoon lights. From the tree house plays your wedding band whilst your guests schmooze.

YOUR PERFECT DAY

At Woodland Weddings Ltd we provide an event coordinator to help create your perfect day; both in the lead up to your big day, and on the day itself. Choose to have your blessing either in the woodland glen or up in our tree house. We provide tailored wedding package solutions aimed to your specific requirements.

Everything from food & beverage to accommodation in our secluded paddock, including luxury bridal suites. We can even provide creative services: Table dressing and styling, outdoor games, and signage.

See our full list of wedding services on our services page.

WHAT OUR GUESTS SAY
"The best wedding we've ever been to ...and we've been to a few"

LILA'S WOOD

Lila's Wood was born when Faye and Sam Messenger failed to find a wedding venue that rivalled the photos they had been seduced by on 'Pinterest'. Never ones to be beaten, they created Lila's Wood as a commercial venture. The now permanent venue now stands just a few hundred metres from its original site.

Take a rest from dancing beside our pond and watch the glittering floating candles bob on the water.

SEEK AND YOU SHALL FIND

Lila's Wood is a secluded and exclusive ancient Beech Woodland; perfect for your wedding day.

Just 35 minutes from London you will find yourself in a tranquil and undisturbed glen, decked out personally for you.

With one acre of parking and 5 minutes drive from the A41, Lila's wood is just along the road from the historic market town of Tring, offering your guests optimum accessibility.

WEDDING DAY STRETCH TENTS & TIPIS

At Woodland Weddings Ltd we supply the complete venue! Our selection of stretch tents and tipis are ideal for most requirements and budgets. They have a rustic, organic feel that mirrors the ethos and look of our woodland event space.

STRETCH TENTS

Our 17 meter by 11 meter canvas look stretch tent is the most adaptable tent available. Due to its stretchy nature it has a completely freestyle structure and can be configured countless ways. We use wooden poles to mirror the natural look of our woodland surrounding and these can be arranged to a variety of shapes, making it architecturally stunning. The poles are adorned with fairy lights to complete the fairy tale look.

We supply natural coconut matted flooring as standard for that hard wearing, rustic charm. Each tent comes with rustic wooden seating in the form of tables and benches (chairs available on request).

On a warm day the sides can be left open for the cool air to circulate, or we can down the hatches in the event of rain. Stretch tents are the new and affordable alternative to hiring a traditional marquee or event tipi.

Our Belgium stretch tents are made from an extremely strong, totally waterproof and amazingly stretchy material, and yet it looks as natural as canvas. We can seat 120 under this tent so it is ideal for your wedding breakfast.

GIANT HAT EVENT TIPIS

There's no doubt that giant Hat tipis look stunning at weddings.

Their warm canvas looks stunning inside when the sides are down and they are architecturally beautiful when the sides are raised. These are a great option for accommodating large numbers of guests due to the fact that they are connectable.

Each tent can seat 70 guests and when linked up the possibilities are endless. We are happy to supply you with prices for hire, however (due to the intricacies of putting them up) we do not supply them as standard at present.

TIPIS AND OVERNIGHT CAMPING

Our tipi supplier follows a traditional Sioux design and yet the tipis are handmade at a workshop in West Cornwall.

6 METER TIPIS

Our 6 Meter tipis outer canvas is made of 12oz and 15oz canvas duck. The canvas is all water, rot and fire resistant meaning your tipi will keep you dry on a wet day, snug on a cold day and lovely and cool on a warm day.

These intimate tipis are perfect for chilling with your guests, seated on scatter cushions around a camp fire. Alternatively they can be decked out to a theme of your choice. Why not have a tipi photo booth? or games room.

These intimate tipis are perfect for chilling with your guests, seated on scatter cushions around a camp fire.

OVERNIGHT BELL TENTS AND TIPIS HONEY MOON SUITE

The 4 and 5 meter bell tents / tipis are not supplied with the venue as standard. However using a network of suppliers we can set up a bell tent village to create a festival atmosphere at your wedding. Sumptuously furnished tents decorated with flags, fairy lights and bunting as standard. Tents with real beds and mattresses are also available upon request. We can even decorate your own canvas honey moon suite.

BAR & CATERING

We can provide you with prices to feed up to 200 people. This includes a BBQ banquet wedding breakfast as standard, followed by an evening hog roast with all the trimmings. We would be happy to provide you with a menu.

ALTERNATIVE SOLUTIONS

If you prefer a different style of catering then we can point you in the direction of specialist local outdoor caterers. Alternatively, you are free to source your own caterers. NB: Please note that external caterers must provide food hygiene registration certificates and be able to cater in an outdoor setting.

Guests will be tickled by our converted retro caravans from which we serve an extensive range of chilled drinks. Please note we do not allow guests to bring their own drinks. Corkage charges apply to table wine and champagne.

WHAT OUR GUESTS SAY
"such a lot of thoughtful planning and hard work went into creating this fabulous day in a wonderful setting"

WHAT OUR GUESTS SAY
"What an amazing day. The most magical and unique wedding reception we have ever been to"

ENTERTAINMENT & EVENING

We can provide music throughout the day, including a DJ set in the evening until 11pm.

LIGHTING

At night the venue steps up a notch as the hundreds of meters of festoon and fairy lights begin to twinkle. The light from our DJ stand bounces from the canvas of the tents and onto the tree trunks making for a magical lighting display.
